## GENERAL INFORMATION AND REGULATIONS

1. A player will have one Golf Australia (GA) handicap only, registered with Golf Link. Club Competitions allow Men's GA handicaps up to 36.4. V.G.L invitational competitions, however, may allow only GA handicaps up to 27.4 to be used. Ladies' Club Competitions allow GA handicaps up to 45.4, however, some invitational competitions request ladies have a maximum GA handicap of 36.4. Players may seek advice from the Club Handicapper or check the website of Golf Link at [www.golflink.com.au](http://www.golflink.com.au)  
The GA handicap is not intended for use as a playing handicap. It is to be used in conjunction with the Slope Rating of the set of tees being played to calculate a player's handicap for the day, and this will be called the Daily Handicap.
2. If a player is, or becomes, a member of more than one Club, the player must select one Club as the player's Home Club. If a player ceases to be a member of another Club, the player shall report the fact to the Home Club, so that the Home Club has a correct record of all Clubs of which the player is a member.
3. Any competition scores played away from a Home Club can be entered to Golf Link by the Home Club, provided the necessary information on the course played is supplied by the player. Any away cards returned must show the Rated Course which was played (usually identified by color) together with the appropriate Par and Slope Rating of the course. Should a round be played but does not appear on Golf Link, it cannot be taken into account until such entry has occurred.
4. All handicap records are administered by Golf Link, where they are stored electronically. No manual records are kept, and under the U.S.G.A. system, handicaps which lapse may be regenerated with additional cards. A full handicap will be evaluated from a record of a player's past 20 recorded scores (see later).
5. Due to unforeseen circumstances, it may be necessary to alter, rescind or add a Local Rule, therefore members are urged to watch for notices displayed on the Club Notice Board, or at the Pro Shop by the Course Management or Match Committee.
6. Members are requested to follow the path around the practice fairway and cross the 9<sup>th</sup> fairway from the Clubrooms as quickly as possible, safely giving way to any professional lessons in progress, as well as to players on the 9<sup>th</sup> fairway. When returning to the Clubrooms from the 18<sup>th</sup> green reverse this procedure.

## **SUBSCRIPTIONS**

The Club's Financial Year ends on 30<sup>th</sup> September 2018, at which time all subscriptions for the following year fall due. Although the Club extends the period for payment to the 31<sup>st</sup> October 2018, members become financial for the following year only when the Annual Fees are paid, and until paid are not eligible to win any competitions.

A member whose Annual Fees remain unpaid on 31<sup>st</sup> October is no longer considered a member of the Club and his/her name will be removed from the Club Register, and he/she is no longer eligible to play in any Club competition until all outstanding fees are paid.

## **ANNUAL GENERAL MEETING**

The Annual General Meeting of the Club will be held in the Clubrooms on Tuesday 20<sup>th</sup> November 2018 at 7.30pm. Nominations for the Committee of Management must be submitted to the Honorary Secretary by 5.00 p.m. on 31<sup>st</sup> October 2018, and Notices of Motion must be lodged by 5 p.m. on Tuesday 30<sup>th</sup> October 2018.

## **MEMBERSHIP**

It is preferable that all prospective members attend a Prospective Members Night run by the Membership Sub-Committee, held on the first Monday in each month at which time applications may be made on the appropriate form. If attendance at this time is not possible, then another suitable time will be arranged by the Membership Sub-Committee. The Proposer and Secunder of the application must be signed by either a Full Playing member with a minimum of twelve (12) months financial membership, a Life Member or a member of the Membership Sub-Committee so appointed.

Where possible, the Proposer, Secunder and/or a nominated Member of the Sub-Committee will have played a round of golf with the applicant to verify the applicant's on-course behavior and etiquette. The applicable Joining Fee is required to be paid at this time, and arrangements made for further payment of the annual subscription and associated costs.

The Membership Sub-Committee is charged with the introduction of new members into the Club, ensuring that all requirements are fulfilled and entitlements forwarded to the new member. The Sub-Committee will also present all new applications to the Committee of Management for ratification. All new members must be unanimously elected by the Committee of Management.

Following acceptance by the Committee of Management a notification will be sent and new Full Playing members will be registered with Golf Link. A swipe card will be provided directly to the member by Golf Link to enable the member to enter daily competitions.

Should the Golf Link card be lost or damaged the member must contact Golf Link directly to arrange a replacement.

### **PRACTICE**

Members should be aware that the practice fairway has been re-assigned from being an integral part of the course to being Out of Bounds (OOB). Any shot played from the 9<sup>th</sup> fairway crossing the OOB line must be replayed under Rule 27.1.6, however, practice in the OOB designated area may only be undertaken by the Teaching Professional.

Competitors shall not practice on any competition day on any part of the course prior to hitting off whether the scoring of the competition is in Par, Stroke or Stableford format.

A golf lesson with a member of the Professional Teaching Staff on the Practice Fairway is not considered to be practice on the course.

The only area of the course where practice is permitted prior to hitting off is the area around the practice putting greens bordered by the constructed path parallel to the 9<sup>th</sup> fairway, the Pro Shop precinct and the path at the rear of the 18<sup>th</sup> green.

Penalty for breach of this Rule is disqualification from the competition of the day.

The following By-Laws shall be read and construed with the Rules of the Brighton Golf Club Incorporated.

## **HANDICAPPING**

### **GOLF AUSTRALIA - MALE and FEMALE MEMBERS**

Since January 2014 the handicap system used in Australia incorporates the Slope Rating System. Under Slope, a golfer's playing handicap on any given day will be determined according to the difficulty of the tees or course to be played. Every set of tees on every golf course around the country has a Slope Rating which has been determined in accordance with a set Course Rating System.

Golf Link calculates a nationally standardized handicap index for every player, and this is called the GA handicap. It is the GA handicap that is displayed in the player's Golf Link record on [www.golflink.com.au](http://www.golflink.com.au)

<b>Tee</b>	<b>Par 18</b>	<b>Scratch 18</b>	<b>Slope Rating</b>
Men's Blue Course	67	65	114
Men's White Course	67	63	108
Ladies Blue Course	70	71	119
Ladies White Course	70	68	117

To obtain an initial GA handicap, 3 completed score cards signed by a holder of an official Australian GA handicap must be supplied to the Club's Handicapper. The score cards for each round may be from any course and must show the applicable Rated Course that was played (usually identified by colour) together with the appropriate Par and Slope Rating of the course. For men, the individual scores on any hole should not exceed 3 strokes over par and for ladies the individual scores on any hole should not exceed 4 strokes over par.

All GA handicaps are calculated by using the best 8 of a players most recent 20 scores, the result of which is then multiplied by a factor of 0.93. However, every score in every player's history will first be standardized by Golf Link against a Slope Rating of 113.

Additionally, a cap (previously called an anchor) has been introduced which will prevent a players GA handicap from increasing by more than 5 strokes beyond their best GA handicap from the previous twelve month rolling period.

All handicapping information is available at [www.golfaustralia.org.au](http://www.golfaustralia.org.au)
