**LADIES MATCH COMMITTEE**

Captain, Vice Captain, Handicap Manager

## GENERAL INFORMATION AND REGULATIONS

1. A player will have one GA handicap only, registered with Golfink. Club competitions allow Men's GA handicaps to be up to 36.4. V.G.L. and many invitational competitions allow only GA handicaps up to 27.4 to be used. Ladies Club competitions allow GA handicaps up to 45.4. However some invitational competitions request ladies have a maximum GA handicap of 36.4. Players may seek advice from the Club Handicapper or check the website of Golfink at [www.golfink.com.au](http://www.golfink.com.au)
2. The GA handicap is not intended for use as a playing handicap. It is to be used in conjunction with the Slope Rating of the set of tees being played to calculate a player's handicap for the day, and this will be called the Daily Handicap
3. If a player is, or becomes, a member of more than one Club, the player must select one Club as the player's Home Club. If a player ceases to be a member of another Club, the player shall report the fact to the Home Club so that it, at all times, has a correct record of all Clubs of which the player is a member.
4. Any competition scores played away from a Home Club can be entered to Golfink by the home club provided the necessary information on the course played is supplied by the player. Any away cards returned must show the Rated Course which was played (usually identified by color) together with the appropriate Par and Slope Rating of the Course. Should a round be played but does not appear on Golfink, it cannot be taken into account until such entry has occurred.
5. All handicap records are administered by, and stored electronically, on Golfink. No manual records are kept, and under the U.S.G.A. system handicaps which lapse may be regenerated with additional cards. A full handicap will be evaluated from a record of a player's past 20 recorded scores (see later).
6. Due to unforeseen circumstances, it may be necessary to alter, rescind or add a Local Rule, therefore members are urged to watch for notices displayed on the Club Notice Board, or at the Pro Shop by the Course Management or Match Committee.
7. Members are requested to cross the practice fairway and the 9th fairway from the clubrooms as quickly as possible, safely giving way to any professional lessons in progress, and to all players on the 9th fairway. When returning to the clubrooms from the 18th green reverse this procedure.

## SUBSCRIPTIONS

The Club's Financial Year ends on 30th September 2017, at which time all subscriptions for the following year are due. Although the Club extends the period for payment to the 31st October 2017, members become financial for the following year only when the Annual Fees are paid, and until paid are not eligible to win any competitions.

A member whose Annual Fees remain unpaid on 31st October is no longer considered a member of the Club and his/her name will be removed from the Club Register, and he/she is no longer eligible to play in any Club competition until all outstanding fees are paid.

## ANNUAL GENERAL MEETING

The Annual General Meeting of the Club will be held in the Clubrooms on Tuesday 21st November 2017 at 7.30 p.m. Nominations for the Committee of Management must be submitted to the Honorary Secretary by 5.00 p.m. on 31st October 2017, and Notices of Motion must be lodged by 5 p.m. on 28th October 2017.

## MEMBERSHIP

It is preferable that all prospective members attend a "Prospective Members Night" run by the Membership Sub-Committee, held on the first Monday in each month at which time applications may be made on the appropriate form. If attendance at this time is not possible then another suitable time will be arranged by the Membership Sub-Committee. The Proposer and Seconded of the application must be signed by either a Full Playing member with a minimum of twelve (12) months financial membership, a Life Member or a member of the Membership Sub-Committee so appointed.

Where possible the Proposer, Secunder and/or a nominated Member of the Sub-Committee will have played a round of golf with the Applicant to verify the applicant's on course behaviour and etiquette. The applicable Joining Fee is required to be paid at this time, and arrangements made for further payment of the annual subscription and associated costs.

The Membership Sub-Committee is charged with the introduction of new members into the Club, ensuring that all requirements are fulfilled and entitlements forwarded to the new member. The Sub-Committee will also present all new applications to the Committee of Management (CoM) for ratification. All new members must be unanimously elected by the CoM.

Following acceptance by the CoM a notification will be sent and new Full Playing members will be registered with Golfink. A swipe card will be provided directly to the member by Golfink to enable the member to enter daily competitions.

Should the Golfink card be lost or damaged the member must contact Golfink directly to arrange a replacement.

### **PRACTICE**

Members should be aware that the practice fairway has been re-assigned from being an integral part of the course to being Out of Bounds (OOB). Any shot played from the 9th fairway crossing the OOB line must be replayed under Rule 27.1.6 however practice in the OOB designated area may only be undertaken by the Teaching Professional.

Competitors shall not practice on any competition day on any part of the course prior to hitting off whether the scoring of the competition is in Par, Stroke or Stableford format.

A golf lesson with a member of the Professional Teaching Staff on the Practice Fairway is not considered to be practice on the course.

The only area of the Course where practice is permitted prior to hitting off is the area around the practice putting greens bordered by the constructed path parallel to the 9th fairway, the Pro Shop precinct and the path at the rear of the 18th green.

Penalty for breach of this Rule is disqualification from the competition of the day.

## HANDICAPPING

### GOLF AUSTRALIA - MALE and FEMALE MEMBERS

Since January 2014 the handicap system used in Australia incorporates the Slope Rating System. Under Slope, a golfer's playing handicap on any given day will be determined according to the difficulty of the tees or course to be played. Every set of tees on every golf course around the country has a Slope Rating which has been determined in accordance with a set Course Rating System.

Golfink calculates a nationally standardized handicap index for every player, and this is called the GA handicap. It is the GA handicap that is displayed in the player's Golfink record on [www.golfink.com.au](http://www.golfink.com.au).

Tee	Par 18	Scratch 18	Slope Rating
Men's Blue Course	67	65	114
Men's White Course	67	63	108
Ladies Blue Course	70	71	119
Ladies White Course	70	68	117

To obtain an initial handicap, 3 cards signed by a holder of an official Australian handicap must be supplied. For Men the cards from each round need to have been played on the Brighton Golf Course and individual scores on any hole not exceed 3 strokes over par. For Ladies the cards for each round may be from any course but the applicable rated course, par and ratings must be supplied. Also no score of 4 strokes or more over par for each hole is acceptable.

All GA handicaps are calculated by using the best 8 of a players most recent 20 scores, the result of which is then multiplied by a factor of 0.93. However every score in every player's history will first be standardized by GolfLink against a slope rating of 113.

Additionally, a cap (previously called an anchor) has been introduced which will prevent a players GA handicap from increasing by more than 5 strokes beyond their best GA handicap from the previous twelve month rolling period.

All handicapping information is available at [www.golfaustralia.org.au](http://www.golfaustralia.org.au).
