- No player should walk, or lean on a putter, on the line of another player's putt.

LADIES MATCH COMMITTEE

Captain, Vice Captain, Handicap Manager

GENERAL INFORMATION AND REGULATIONS

1. A player shall have one Australian handicap only, registered with Golf Australia, and it must be at the player's nominated Home Club. Club events allow Men's handicaps to be up to 36. V.G.L and many invitational events allow only handicaps up to 27 to be used. Ladies limits are up to 45. With the change to the USGA Handicapping and Course Rating System, first introduced in April 2010 and being implemented progressively, many issues will only be finalised or implemented over a period of time. Players may seek advice from the Club Handicapper or check the website of Golf Australia (GA) at www.golfaustralia.org.au.
2. If a player is, or becomes, a member of more than one Club, the player must select one Club as the player's Home Club. If a player ceases to be a member of another Club, the player shall report the fact to the Home Club so that it, at all times, has a correct record of all Clubs of which the player is a member.
3. The issue of reporting all competition scores played away from a Home Club is still under review by GA. In the meantime, Any cards returned must show the Rated Course which was played (most likely identified by colour) together with the appropriate Par and Course Rating or the applicable A.M.C.R. or A.W.C.R. Should a round be played but does not appear on Golflink, it cannot be taken into account until such entry has occurred.
4. All handicap records are administered by, and stored electronically, on Golflink. No manual records are kept, and under the U.S.G.A. system handicaps which lapse may be regenerated with additional cards. A full handicap will be evaluated from a record of a player's past 20 recorded scores (see later).
5. Due to unforeseen circumstances, it may be necessary to alter, rescind or add a Local Rule, therefore members are urged to watch for notices displayed on the Club Notice Board, or at the Pro Shop by the Course Management or Match Committee.
6. Members are requested to cross the practice fairway and the 9th fairway from the clubrooms as quickly as possible, giving way to any professional lessons under way and to players on the 9th fairway. When returning from the 18th green reverse this procedure.

SUBSCRIPTIONS

The Club's Financial Year ends on 30th September 2014, at which time all subscriptions for the following year are due. Although the Club extends the period for payment to the 31st October 2014, members become financial for the following year only when the Annual Fees are paid, and until paid are not eligible to win any competitions.

A member whose Annual Fees remain unpaid on 31st October is no longer considered a member of the Club and his/her name will be removed from the Club Register, and he/she is no longer eligible to play in any Club competition until all outstanding fees are paid.

ANNUAL GENERAL MEETING

The Annual General Meeting of the Club will be held in the Clubrooms on Tuesday 18th November 2014 at 7.30 p.m. Nominations for the Committee of Management must be submitted to the Honorary Secretary by 5.00 p.m. on 31st October 2014, and Notices of Motion must be lodged by 5.00 p.m. on 28th October 2014.

MEMBERSHIP

It is preferable that all prospective members attend a "Prospective Members Night" run by the Membership Sub-Committee, held on the first Monday in each month at which time applications may be made on the appropriate form. If attendance at this time is not possible then another suitable time will be arranged by the Membership Sub-Committee. The Proposer and Seconder of the application must be signed by either a Full Playing member with a minimum of twelve (12) months financial membership, a Life Member or a member of the Membership Sub-Committee so appointed.

Where possible the Proposer, Seconder and/or a nominated Member of the Sub-Committee will have played a round of golf with the Applicant to verify the applicant's on course behaviour and etiquette. The applicable Joining Fee is required to be paid at this time, and arrangements made for further payment of the annual subscription and associated costs.

The Membership Sub-Committee is charged with the introduction of new members into the Club, ensuring that all requirements are fulfilled and entitlements forwarded to the new member. The Sub-Committee will also present all new applications to the Committee of Management (CoM) for ratification. All new members must be unanimously elected by the CoM.

Following acceptance by the CoM a notification will be sent and new Full Playing members will be registered with Golflink. A swipe card will be provided directly to the member by Golflink to enable the member to enter daily competitions.

Should the Golflink card be lost or damaged the member must contact Golflink directly to arrange a replacement.

PRACTICE

Members should be aware that the practice fairway has been re-assigned from being an integral part of the course to being Out of Bounds (OOB). Any shot played from the 9th fairway crossing the OOB line must be replayed under Rule 27.1.b however practice in the OBB designated area may only be undertaken by the Teaching Professional.

Competitors shall not practice on any competition day on any part of the course prior to hitting off whether the scoring of the competition is in Par, Stroke or Stableford format.

A golf lesson with a member of the Professional Teaching Staff on the Practice Fairway is not considered to be practice on the course.

The only area of the Course where practice is permitted prior to hitting off is the area around the practice putting greens bordered by the constructed path parallel to the 9th fairway, the Pro Shop precinct and the path at the rear of the 18th green.

Penalty for breach of this Rule is disqualification from the competition of the day.

Your correct place in the field is just behind the group in front
Not just in front of the group behind.

HANDICAPPING

GOLF AUSTRALIA – MALE and FEMALE MEMBERS

Since the progressive introduction of the U.S.G.A Handicapping and Course Rating system started in April 2010, and modified September 2011, all of the systems and regulations previously in place have either been replaced or are flagged to be replaced in the future. Therefore, it is not possible to definitively explain the entire system here. As stated previously, the websites of Golf Australia and Golflink will offer some information. The implementation of the system in its entirety will come into effect on January 23, 2014.

Currently this system has replaced the C.C.R. or Calculated Course Rating system and as more courses are rated, the rating number for the course played becomes the factor against which handicaps are evaluated. Buffer zones do not exist.

For Brighton Golf Course the ratings have already been completed, and the following applies:

Tee	Par 18	Scratch 18	Slope Rating
Men's Blue Course	67	65	110
Men's White Course	67	63	107
Ladies Blue Course	70	70	117
Ladies White Course	70	68	114

To obtain an initial handicap, 3 cards signed by a holder of an official Australian handicap must be supplied. For Men the cards from each round need to have been played on the Brighton Golf Course and individual scores on any hole not exceed 3 strokes over par. For Ladies the cards for each round may be from any course but the applicable rated course, par and ratings must be supplied. Also no score of 4 strokes or more over par for each hole is acceptable.

All GA Handicaps will be calculated by using the best 8 of a player's most recent 20 scores. The result of which is then multiplied by a factor of 0.93. However, every score in every player's history will first be standardised by Golflink against a Slope Rating of 113.

The GA Handicap is not intended for use as a playing handicap. It is to be used in conjunction with the Slope Rating of the set tees being played to calculate a golfer's playing handicap for the day, and this will be called the Daily Handicap.

Additionally, a cap (previously called an anchor) has been introduced which will prevent a player's GA Handicap from increasing by more than 5 strokes beyond their best GA Handicap from the previous 12 month rolling period.

As in the past, handicaps are determined at 0.5 of a stroke. So for example a player with an exact handicap of 15.4 would play off a handicap of 15 whereas a player with an exact handicap of 15.5 would play off a handicap of 16. As you can see where the exact handicap is a fraction, the handicap played will round up or down depending whether the fraction is higher or lower than 0.5.

All handicapping information is available at www.golfaustralia.org.au.

Further details specifically regarding lady handicaps should be referred to the Club Lady Captain.

RULES FOR LADIES' COMPETITIONS

1. MEMBERSHIP

Applicants become full financial members of the Club at the date the application is accepted at a Committee of Management meeting, having paid the Joining Fee, Annual Subscriptions and other required fees.

2. G.A. HANDICAP

A playing member may obtain a G.A. handicap by submitting, to the Ladies' Handicap Manager, three (3) 18-hole stroke cards from the Course of any Club affiliated with G.A. Extra Day Cards may be used to obtain, regain or retain a handicap. Cards must be marked and signed by a Registered Member of an affiliated Club, with the marker's Club noted on the card, together with the A.W.C.R. confirmed by an Official of the Club or Professional. Players are responsible for their own handicaps, as per G.A. regulations, but should play off the handicap shown by Golf Link via the computer.

3. (a) A member, BEFORE commencing play, MUST:

- (i) swipe their Golf Link card through the swipe machine adjacent to the computer terminal in the entry area to the Clubhouse, and enter the competition. Should the computer be unavailable for use, enter their name on an Entry Sheet provided by the Committee;
 - (ii) check handicap from the computer terminal or Handicap List in the Clubhouse; and
 - (iii) print name, date and handicap on the score card, and hand same to marker.
- (b) When two or more trophies are available for a daily competition, a player is not entitled to win more than one trophy.
 - (c) A player competing in a Match Play event is not eligible to participate in the Club event of the day, but is eligible for the Nearest the Pin competition.

4. A player on completing a round must:

- (a) request Marker check and sign the player's score card;
- (b) sign the card and deposit it in the red box provided within 30 minutes after completion of his round.

5. It is the duty of each player as marker to see that a fellow competitor observes the Rules of Golf, Local Rules of the Club, and be satisfied that this has been done before signing the score card. Any doubtful

points should be referred to the Captain or the Match Sub-Committee before the card is deposited in the box. A valid reason must be included on the returned card if the round was not completed.

6. WEDNESDAY COMPETITION

Unless otherwise listed, the tee opens at 8.00 a.m. and Members should report at the Clubrooms a minimum of 20-minutes before the time selected on the Time Sheet. The Wednesday competition closes at 9.44 a.m.

The minimum number of competitors for Day Competitions is eight (8). Competitions with lesser number will be at the discretion of the Ladies' Match Committee.

7. MAJOR TROPHIES (except Club Championships and Brighton Cup)

Lady Members holding G.A. handicaps are eligible for major trophy events when they have:

- (i) held full financial membership for not less than three (3) calendar months preceding the event.
- (ii) submitted a completed card in individual 18-hole stroke, stableford or par competition, on the applicable Club competition day, in the month prior to the event.
- (iii) In a competition where two (2) trophies are available winners of one trophy cannot also win the other trophy. In this instance the scratch trophy would take precedence over the handicap trophy.

The minimum number of eligible competitors for Wednesday Major Trophy events is sixteen (16). A play-off is compulsory for all ties in Major Trophy events. Where the event has extended over more than one round, the handicap current on the final round shall be used.

8. CLUB CHAMPIONSHIPS AND BRIGHTON CUP

Lady Members holding G.A. handicaps are eligible to compete when they have:

- (i) held full financial membership for not less than three (3) calendar months preceding the event.
- (ii) submitted a card in individual 18-hole Club stroke, stableford or par competition on the applicable Club competition day, for each of the three (3) preceding months.

9. SATURDAY COMPETITION

Competition is as per Saturday Fixtures, with minimum number of competitors to be six (6). Lady Members playing within the competition field must register with Golf Link via the computer in the Clubrooms before hitting off. Cards must be returned to the Posting Box in the Ladies' rooms, and scores entered in the Lady Members' Saturday Competition Book.

10. VICTORIAN GOLF LEAGUE, LADIES EVENTS

V.G.L. events and eligibility requirements are listed in the V.G.L. Handbook.

11. MOTORISED GOLF CARTS

The use of motorized golf carts for Club Competitions does not require the authority of the Match Sub-Committee. However V.G.L. events require permission via a written request, supported by a Doctor's Certificate, submitted to the Ladies Match Sub-Committee and forwarded to the V.G.L. The exception to this requirement is that permission is not necessary where any player is 70 or more years of age.

12. LADIES' MATCH COMMITTEE

All competitions and alterations to the Fixtures are subject to the decisions of the Ladies' Match Committee. Protests should be referred to the Captain immediately on completion of a round.
