## Feature Story

# Our future is Bright(on)

At 8.26pm on Tuesday April 26th 2016 history was made when the Bayside City Council voted unanimously in favour of the Sustainable Water Supply Plan proposed by the Brighton Golf Club Inc.

Course managers LMS were involved from the outset and a number of other Golf Clubs who call Brighton Public Golf Course home will also benefit from this historic decision.

Add to this the many thousands of club members who play sport on Dendy Park along with the growing number of residents who use the park regularly for a variety of recreational activities and you can begin to understand the "flow on" effect this decision will have.

Council has approved expenditure of \$2.95 million dollars to ensure a permanent supply of water to both the golf course and Dendy Park. Work is scheduled to commence in the coming months.

*What is absolutely stunning about this whole exercise is that had OUR club - the Brighton Golf Club Inc. - NOT stood up and said "This is not acceptable and we want it changed" the proposal that was dropped by the council several years ago would still be languishing for the want of support.*

It was OUR club who got the whole process back on track.

A heartfelt and sincere vote of thanks needs to be loudly proclaimed for the small but enthusiastic group of BGC members who worked so hard and would not be daunted by the obstacles confronting them to "Get the Job Done".

*Make no mistake nothing less than the long term survival of our club was at stake here and we owe a huge debt of gratitude to those who made it happen.*

This successful group was lead by our President/Treasurer Keith Beggs ably assisted by many others including, but not limited to, Jane Millar and Cr Bruce Lowe.

So, our future certainly does look "Bright-on" every front and we can now enthusiastically redouble our efforts in attracting new members to share in our latest success.

Well done and a BIG thank you to all concerned.

Geoff Hergt

## Highlights of CoM Meeting - 12 April 2016

### PRESENT

Ten, as per signed Attendance Sheet, plus Beau Roberts, ex CoM member and ex House Manager.

### MATTERS ARISING from correspondence:

- Moved that written nomination form of David Heraud (DH) to casual vacancy on CoM be accepted. Carried unanimously.
- Moved to accept DH offer to take up role of House Manager and report activities of House sub committee to CoM. Carried.
- After discussion and agreement a small short-term sub-com is to assist in defining the House Manager's current role. CoM to define and negotiate a separate catering proposal with DH.
- A vote of thanks with acclamation was given to Beau Roberts for his long-term work on CoM and as House Manager. BR then left the meeting.
- Moved to accept recommended quote of \$2,960 (shared 50/50 with Ian Howison) from Diamond Valley Property Management to repair fence as detailed in report from Ian Howison. Carried
- Repairs to deteriorating window and door frames to be overseen by House sub-com and if necessary obtain quotes.
- Moved that BGC metal sign on wire fence facing 9th fairway be removed as a SAFETY ISSUE and possibly relocated to a wooden fence elsewhere. Also improves outlook from clubhouse. Carried.
- Moved that BGC obtain 40 available 2nd hand chairs (as per sample from RSL) for functions at a cost of \$0-\$20 each. DH explained that the sample is a type of "ice cream" chair suitable for relatively short sitting periods. Carried. House sub-com to also look into feasibility of repairing seat binding in some of our current "broken" chairs.

### FINANCIAL REPORT

He reported significant account activity was payment to Hikmah IT for LAN re-wiring and Mailforce for RCD raffle ticket mailout. It was proposed that we check the need to advise RCD raffle winners in newspaper.

Moved: BGC to donate \$150 to Red Cross as per 2015.  
Carried.

In report KB also summarised the YTD income and expense with previous year and budget and we are approximately in line with those at present.

Question asked about ongoing financial contributions from functions. KB advised that current initiatives with BHC and Escape travel are positive and encouraging and will report further at next CoM meeting in May.

### SECRETARY REPORT

KL advised that club admin is being dealt with in line with current requirements, but noted ongoing work had significantly increased due to covering for BR during his holiday and subsequent illness and pennant catering. We are now in pro-rata period for memberships.

### CAPTAIN'S REPORT

JMcC provided copy of written April report for all CoM members. Highlights; Pennant season under way, Temporary Local Rule - Preferred Lies still in place. Fred Meehan Memorial Trophy competition under way and Ladies Club Championships commence in May.

### LADIES SUB COMMITTEE REPORT

RH provided written Ladies President report.

## New BGC Members

The following membership applicants were recently accepted unanimously by the Committee of Management into the Brighton Golf Club.

**Pam Jones**

**Sally Jones**

We wish these new Members many years of happy golfing at BGC.

## Highlights of CoM Meeting - 12 April 2016

### SOCIAL SUB COMMITTEE

Trivia night proposed for Friday 29th May (since changed to 20th May), generally as per last year.

### HOUSE SUB COMMITTEE

Work on maintenance and cleaning and the food purchasing and preparation for bar staff has been continued as per usual by the House sub committee and volunteers following Beau's instructions. DH will report latest progress at next CoM meeting.

### COURSE SUB COMMITTEE

Comprehensive information of progress and involvement with BCC Councillors and others provided in attached Treasurer's written General Business notes March/April 2016.

### GENERAL BUSINESS

- New DDS/OKI printer working well and problem solving is intuitive.
- LAN upgrade etc in attached KB April general business report. Telstra were called to check fax wiring and suggest upgrade quote for our phone system.
- Course sub-com up date in attached KB general business report March/April 2016.
- E-mail voting on urgent matters. Moved: That the Hon Secretary at his/her discretion can allow CoM members voting on-line for "urgent" matters requiring a decision prior to next scheduled CoM meeting, or call for an extra CoM meeting. Carried
- General discussion resolved that small "social account funds" held by BGC sub committees BGC Ladies and Dad's Army be regarded as not BGC money. Moved: That status quo remain, i.e. Continue to do their own accounting. Carried.
- Moved: To get quote from Peter Walton to fill in small area where bar staff park cars from current bitumen to fence line, with new bitumen. Carried
- Moved: That additional quote for area up to rubbish bins be filled with bitumen at same time. Carried.

- Comment made: "Noted new input and work sharing with DH but we must avoid overloading responsible CoM personnel, as if continued for too long we may lose their work input and experience." More to say at next CoM meeting.
- Winter Classic is up and running. Thanks are due to Andrew Blunden for assistance to make all run well.
- CY reported cracked glasses and dirty shelves in bar, and have noted bar stewards have time to do this work, but do not. Shortcomings need to be reported to DH.
- KB noted he has spoken to POS staff regarding too many errors on POS and has heard of complaints from members about "slack" service. A meeting is soon to be set up with them to discuss these and other issues.
- Floor cleaning: Plan to be put in place for when the current volunteers cleaning duties can no longer be continued, for what ever reason. Item for next meeting's agenda to ensure these services continue to be performed by club volunteers if possible. Or alternatively a commercial cleaner at the appropriate time.
- Bayside Hockey Club (BHC) will provide a list of their members joining BGC (approx. 80). And thanks to Micropower, who will charge a small fee to import the initial BHC data direct into the BGC Membership system PowerGolf, it will now be easier for us to enter and receipt them as our member as and when required.
- Comment by RH, Public Toilets both Men and Women at BPGC near pro-shop and on-course are in poor state, and negatively commented on by visiting pennant teams, although improved near pro-shop since last CoM. Observe and report condition to next CoM meeting
- Moved: That 2 for 1 special membership offer is withdrawn by end August 2016 and re-introduced at a suitable time in 2017. Carried

End of minutes highlights

## Jane Millar - A life-line for the Brighton Golf Club

The viability of Brighton Golf Club depends, amongst other things, on the generous efforts of volunteer Members. This has been said time and again and I don't mind repeating it. However there are a few those members whose efforts are exemplary. One in particular is a person whom I came to know during a chat early last year when we were standing on the front lawn discussing BGC signage for the clubrooms building.

I'd spoken previously a few times to Jane regarding building matters as I knew that she was an architect and she'd always been happy to help with the matters at hand. On this occasion the conversion went off at tangents but got around to the situation of the appalling condition of the Brighton Public Golf Course.

I was impressed with Jane's enthusiastic attitude and eventually I asked her to be involved on the sub-committee that was formed to investigate what could be done about restoring the golf course to its former glory. Those of us on the sub-committee will attest to her fabulous knowledge of how Bayside City Council functions and her expertise in communicating with councillors. The success we've achieved thus far in this project would not have been possible without her valued tenacity and support.

This article attempts to return the favour, as it were, in a small way for the long hours and dedication that Jane has provided to the Brighton Golf Club for the benefit of all its members

Keith Beggs  
President

## Jane Millar

Jane worked for architectural practices in Melbourne and Barbados.

Jane's holistic approach to delivering the attributes and constraints of a client brief, the site and landscape opportunities, drive a passion to create high quality architecture.

### Millar Robertson Architects

Over the 25 years of successful practice, Millar Robertson Architects have matured into a competent and confident firm that is not constrained by style or signature. We focus on the unique characteristics and needs of each project to create the architecture.

We seek imaginative and cost effective solutions through the clever use of materials, light, space and functional planning. Sustainability, passive thermal performance and interaction with complementing landscaping are features embedded in all our projects.

## BGC Ladies Activities

The ladies of Brighton Golf Club have had an enjoyable month of golf – apart from one bleak day of weather which, unfortunately, occurred on the day of our Monthly Medal competition. As our Syllabus is tight at this time of year, there was no alternative date this month on which to play the event. We all keep on trying to win that elusive Medal. Maybe next month.

Our Guest Day on 20 April was fun with a very popular Ambrose win by the team powered by our ex-Captain Jenny Bahramis and a new member – Robyn Napolitano and their respective guests. We were blessed with glorious autumn weather which made the day.

Our small “Golf Shop” was a resounding success and Lyn Sutcliffe and Heather D’Arcy ably handled sales for the day. Funds raised were allotted to the Fundraising Account of Brighton Ladies’ Golf Club. The total funds raised will be presented to Sandringham Hospital staff after 15 June which is our Charity Day.

The Hospital’s goal this year is to raise a substantial amount towards a new and much needed expansive Day Surgery Centre. We would appreciate donations of ‘sellable’ items for our “ALADDIN’S CAVE” on Charity Day, 15 June.

Goods should be in very good condition and can be left in the designated area of the Conference Room up until the date of the event. This is our major fundraising initiative for the year.

Mother’s Day is fast approaching and we have our Mother’s Day raffle on 4 May. That date is also the first of three Wednesdays where we play off for the Ladies Championships, so hoping the weather holds and we all have great scores. HAPPY GOLFING!

And even happier golfing in the near future as the condition of our course slowly improves with extensive work to be commenced by Bayside Council early next year.

We are all so very grateful for the immense effort by our President – Keith Beggs- and his loyal team in bringing about a wonderful outcome.

**CONGRATULATIONS!**

### LADIES PENNANT REPORT

The A grade ladies narrowly missed out on the final by one point, going down to Riverside 3-1/2 to 1-1/2 in the last round, finishing 3rd on the ladder. The final will be played between Ivanhoe and Riverside/Essendon.

The D team improved throughout the season and finished strongly with two ties. They finished 4th on the ladder. Bundoora Park was the winner of their section.

We wish the winners good luck for the finals and hope to go one better next year ourselves.

I would like to thank Glenda Murphy, Cheryl Young and Rosie Hogan for making the wonderful lunches. Their help was greatly appreciated. I would also like to thank the VCL and Phil Goad for their organization. The competition ran very smoothly and we look forward to participating again next year.

Rosemary Fry  
Pennant Captain

## Captain's Report

*By John McCreery (Club Captain)*

The main event of interest over the last month has been the start of the Pennant season. The Men's Senior Team commenced competition in early March and have had mixed results so far. Unfortunately, with one round to go this team is in third spot and the two top teams are out of reach. So, the Seniors will not be in the final this year.

The Ladies also started in early March with two teams competing. The No.1 team has done very well and with one round to go has a good chance of finishing second and making the final. The No.2 team has found the opposition a bit more consistent and will not be in the final.

The Men's Scratch and Handicap teams started in early April and both teams have high hopes for this season. In the first round the Scratch team went close to winning at Craigieburn with a drawn match but the Handicap team started badly with a loss at home to Camberwell. Congratulations go to new Club Member, Anthony Millard, for an excellent game in his first scratch match winning 9 and 7.

### THE FRED MEEHAN MEMORIAL TROPHY

A reminder to the members who are in the Men's Match Play Championship that Round 2 matches must be played by June 4th.

### LADIES CLUB CHAMPIONSHIPS

A reminder to the Ladies that the Club Championships commence on Wednesday, May 4th and will continue for the next two weeks. We would like as many Members as possible to play all three weeks to make certain that there is a winner in each grade.
