HAPPY NEW YEAR – That's Just The Beginning

Storm Water Harvesting Project Update

Date: 27th January 2017

Dear BGC Member,

The SWHP should start 10th March with the practice fairway the first area affected. A path will be constructed around the back of the practice fairway so members will still have access from the club rooms.

1. We are hoping players can get around 9 holes in 2 hours. I plan to allow 2:15 hours to start and we can adjust this if needed moving forward. I think it would be a good idea to do a meeting with all members prior to the implantation of the course, to talk firstly about the layout and secondly the importance of pace of play.

The tee times would be:

TEE TIMES	SUN	MON	TUE	WED	THUR	FRI	SAT
Up to 7.00am	9	9	9	9	9	9	9
7.00am - 9.00am	18	18	18	18	18	18	18
9.00am - 11.15am	Closed						
11.15am - 1.15pm	18	18	18	18	18	18	18
1.15pm - 3.30pm	Closed	18	18	Closed	18	18	Closed
3.30pm onward	18	18	18	18	18	18	18

2. I would be recommending that Red Cross day be changed to 4th March to ensure the full 18 holes is open. I would also be more than happy to help increase the size of the Red Cross day to try and get a full field of 120. We could work together to make the day an even bigger success which will benefit all parties.
3. I have booked all the pennant times in; they all sit in the 7 - 9 am tee slot so they won't have to be changed. The first tee time for the scratch and handicap teams is 8:32 running to 8:56 and the senior team runs from 8:48 - 9:04. Pace of play will have to be stressed to the players to ensure no issues happen on the turn.
4. Golf Vic currently has the details of the new course and is in the process of re-rating. I will chase them up again on Monday to see where they are at. I also have new score cards coming in which will have the amended distances. We will ensure that the white and blue markers are in quiet varied positions so the 2nd 9 holes play different to the 1st.
5. So that the ladies can have a par 72 I have amended the distances of the following holes, to turn the par 5's into par 4's which will match the men's pars:
 - 12th Hole, new 7th: 289m
 - 14th Hole, new 8th: 285m
 - 15th Hole, new 9th: 305m

I have tried to find flat areas to put the tee boxes for the ladies and also spots which add shape to the holes.

As previously mentioned once I have meet with the contractor and council I would like to come over to the club and run a question and answer with the members. We can advertise this for a week or two to make sure everyone can attend who has a query. I am also happy to do this for the other ladies clubs as well. At any other stage if you have a question my door is open.

It will be a challenging but exciting time for the course/clubs and as we all continue to work together we will hopefully run smoothly through the SWHP time frame.

Regards
Travis Harrison

Membership Meet & Greet on 1st Tee BPGC

In an effort to raise the profile of Brighton Golf Club and to attract new members, I did a 'trial run' of setting up a 'meet and greet' table between the 1st and 10th tees (see photo) earlier this month.

It was a Wednesday and I manned the table from 8:30am until joining the Club comp at 11:00am. There was some good interaction with players as they passed by whilst the table was manned. I left brochures on the table when unattended until about 5:30pm.

I was encouraged by the feedback, but I would recommend setting up on a busier day to capture more public players, probably a Saturday or Sunday.

Whilst we have a 2-for-1 offer under way, it is worth trying again during this summer. I am happy to set up so that we can leave the pergola erected for a weekend, and I would ask that members volunteer to spend an hour or so manning the table. The Pro shop are very supportive.

I will publicise a weekend setup and ask for volunteers in the next couple of weeks. The table can be unmanned, but person to person contact is very valuable.

There will be other events (Red Cross Charity Day) being promoted during December so it is a good month to promote our Club to potential new members.

February is BGC 'get to know' month!

RED CROSS CALLING

Note NEW date of Saturday **March 4th** not as shown in the 2017 Syllabus.

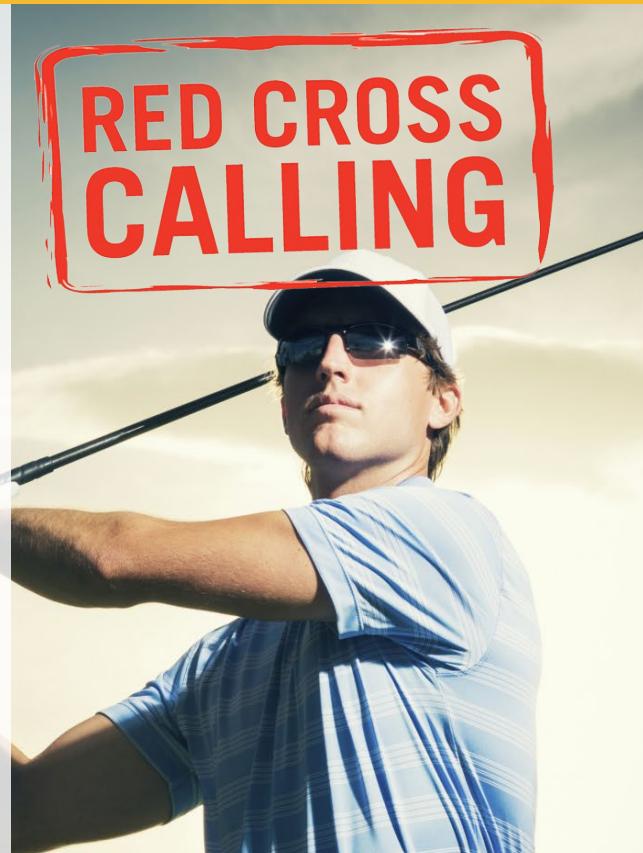

Each year for as long as I can remember our club has supported the Red Cross Appeal. So what is different about this year and why should we continue to support this worthy cause?

Firstly, the event has been brought forward this year to **4th March** (see above) so that we (members and guests) play the course in its current configuration. If we leave it until the traditional date in March those who only play in this event each year (mainly guests) might have a more challenging time than they will have in early March.

Secondly, our participation whilst important, is only a part of the annual funding of this wonderful organization. Every day many volunteers all over Australia give their time, effort and often money as well to help, through the Red Cross, those in our community who are in need.

So there it is, a great cause and yet another opportunity for us BGC members and guests to give a little back to the community from which we receive so much whilst enjoying the "game we love". Why wouldn't you do it?!

LET'S ALL ANSWER THE CALL

Captain's Report

GOLF COURSE STORM WATER HARVESTING PROJECT

The Bayside City Council has decided on a contractor for the construction of the works that will provide a sustainable water supply for the Brighton Golf Course and Dendy Park. The works are to commence in February and are proposed to be completed by the end of September. Following a meeting of the Council Engineer, the Contractor and Travis Harrison in early January more detailed information will be available to Members. While on this subject I would prefer all Members to direct any questions with regard to the works and golfing matters during this time directly to me, John McCreery.

That way everyone gets the correct answer and we do not have any misleading second hand information.

The course is expected to become 9 holes in March and the construction works will have a minimal effect on these holes. The major change will be the tee booking times. The Course Management would like the maximum playing time of these 9 holes to be 2:15 hours. The tee times will be 9 hole only players before 7am, then 18 hole players from 7-9, no bookings between 9-11:15 and then open for bookings 11:15-1:15, then no bookings 1:15-3:30. The rest of the day would be open for bookings from 3:30.

This type of time sheet will run on Saturday, Sunday and Wednesday. On the other days the course will be 9 hole players only before 7am, then open for 18 hole players from 7-9, bookings closed between 9:15-11:15 and then open for the rest of the day.

The 18 hole course, playing the 9 twice, will have new slope ratings for the blue and white courses as well as a composite course where the front 9 would be played off the blue markers and the back 9 played off the white markers.

NEW LOCAL RULE FOR BALL ACCIDENTALLY MOVED

The R & A has introduced a new Local Rule that eliminates the penalty when a ball is accidentally moved on the putting green. The Brighton Golf Club Match Committee has decided to use this Local Rule as 1st February, 2017.

"Rules 18-2, 18-3 and 20-1 are modified as follows:

- When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent or any of their caddies or equipment.
- The moved ball or ball-marker must be replaced as in Rules 18-2, 18-3, and 20-1.

Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances must be replaced.

47TH ANNUAL RED CROSS OPEN CHARITY GOLF TOURNAMENT

On Saturday, 4th March, 2017 we will be hosting the annual Red Cross Open Charity Golf Tournament. The Australian Red Cross is the major charity that our Club collects for and a special effort from all our Members will make the day a success. This event is usually held in late March, but due to construction works commencing on the dams in March we have moved the date forward to early March.

The golf course management, Leisure Management Services, is once again supporting this event by allowing a SHOT-GUN START utilizing the complete course for the morning which will allow all players to attend the Club House for the fund raising activities. This is a guest day and non-handicap golfers are welcome to participate, under the Callaway scoring system. The field will be limited so book early.

Fund raising is the main aim of this day, and in order to maximise our efforts we have organised a major raffle giving ALL Club Members the opportunity to participate, not only those in attendance on the day. A book of eight raffle tickets will be mailed to all Members. Tickets are \$2.50 each, so please try to sell them. All proceeds of the raffle go to the Australian Red Cross. Additionally, the Club House activities will include the traditional spinning wheel and donations of items suitable for this purpose would be greatly appreciated.

PENNANT SEASON COMMENCES

The 2017 season of Pennant Competition is due to start in early March for the Ladies and Men's Seniors team. The Men's Scratch and Handicap teams will commence on Sunday, 2nd April.

If you would like to play in one of the Men's teams please write your name and email address on the list just inside the front door. Do not expect the team managers to chase you up just because you played last year. I would like to see as many Members as possible be available, so that we can have very competitive teams.

RED CROSS CALLING

On Saturday 4th March, 2017 BGC will be hosting the annual Red Cross Open Charity Golf Tournament. The Australian Red Cross (ARC) is the major charity our Club.

Leisure Management Services (LMS), are once again supporting this event by allowing a SHOTGUN START utilising the complete course for the morning, which will allow all players to attend the Club House afterwards for drinks, lunch and fundraising activities.

A BBQ lunch will be available, which is part of the full entry package. You are welcome to attend the lunch and afternoon activities with your fellow Club members even if you cannot play in the golf competition.

Fundraising will be supported by a spinning wheel a golf auction offered by LMS and a major raffle giving ALL Club members the chance to participate, not just those attending the lunch.

BGC Syllabus 2017 - Contact number corrections

We have an unexpected problem with the 2017 BGC Syllabus.

An unfortunate error has occurred with some of the Members phone numbers printed in this year's Syllabus. As far as we are aware and in spite of carefully checking each draft of the syllabus prior to going to press the error has been detected and applies to the landline numbers. It has occurred due to a software Copy and Paste glitch with the Microsoft Excel program.

There are 35 phone numbers affected.

Our sincere apologies to those members affected.

Happy New Year to you all

After a month away camping and devoid of technology we are back amongst the 21 Century living again.

A far cry from cool starry nights and long hot days on the river. Over the weeks pre Christmas many girls have been away enjoying family time and are only now returning to golf with 10 playing today (Wed Jan 18th).

Here are some photos of our Play and Stay held at the Heritage Golf Course and our Christmas Lunch at the Brighton Sauoy.

A great time was had at both events. We look forward to delivering more news in the coming months.

BGC Member Profiles

PHIL HAUGHEY

At a Golf Club you might expect that it would be all about Golf. But that would underestimate the important aspect of "social interaction".

For many members the enjoyment they derive from the banter between fellow golfers, they may have never met prior to joining our club, makes the game of golf almost incidental. Others are diehard golfing enthusiasts with a different outlook.

Phil Haughey belongs to the former category. A regular player both on Wednesday's and Saturday's Phil certainly enjoys his golf but relishes the banter and camaraderie of his fellow players.

A father of two(2) Phil has plenty of things to occupy his mind but after 25yrs of BGC membership social interaction is still his main attraction.

AFL Football, always a hot topic of conversation in his four, the game of golf along with the social interaction at our club are his main "likes". Phil believes that members would gain by participating more in the social aspect of our club.

RICHARD BRITTON

A keen sportsman through playing cricket in some very exotic places to water polo this member is a participator not just a spectator.

Richard and Jo have two (2) children – Ryan and Rebecca – something about the letter "R"??.

A 23yr member of our club Richard could almost be considered "part of the furniture" around the BGC. A regular player at 11.30 to noon each Saturday Richard and his fellow players Peter Barbour, Phil Haughey and Peter Jolly not only enjoy their golf but are great participants in the social life of our club.

The banter that occurs whenever they are together typifies the fun and friendship so much enjoyed by BGC members.

Richard has a Diploma in Textiles. He worked for many years with Charles Parsons, a leading textile company. However this sports crazy member is now shaking up the transport industry through Direct Freight Express.

Apart from Family, Friends and Golf Richard loves the proximity to home of our club.

ROSA BAERNREUTHER

Rosa Baernreuther originally hails from Germany. She has a daughter, son in law and two (2) grandsons.

In 1960 Rosa moved into country Victoria at Woodend from where for a number of years she ran her own Childcare centre in nearby Macedon. In 2014 she moved back to Melbourne.

Enjoying the relaxed life of the country Rosa took up golf in 1992. Local courses at both Woodend and Trentham saw her playing regularly. She joined our club (Brighton Golf Club Inc.) in 2015 on the recommendation of her son in law and was made to feel very welcome by the Brighton Ladies.

Rosa has played pennant golf and also played in the Masters Games in years past.

These days her main interests are her family and especially her grandchildren.

But if playing golf at Brighton still leaves a little time available Rosa will be happy to challenge you to a game of Bridge.
