BGC Website Upgrade

In June of 2015 BGC was advised that the existing version of the platform on which the BGC Website sat was out of date and thus was no longer supported.

Up until this point the existing website had undergone many adjustments to allow for What's On events, News, Membership and Hire of Clubroom applications, important notice's, anti-spam functionality etc. and it was an unsolicited yet not unexpected surprise to be informed that the site needed to be upgraded ASAP.

Much discussion then took place during subsequent Committee of Management meetings and as a result due process was undertaken to seek quotations from two other vendors for the upgrade.

What you now see at www.brightongolfclub.com.au is the result of those deliberations – an entirely new website with an emphasis on Membership and Clubroom Hire whilst retaining many of the features that members have relied on over the last few years, such as ClubLink where Members accounts and golfing results can be reviewed.

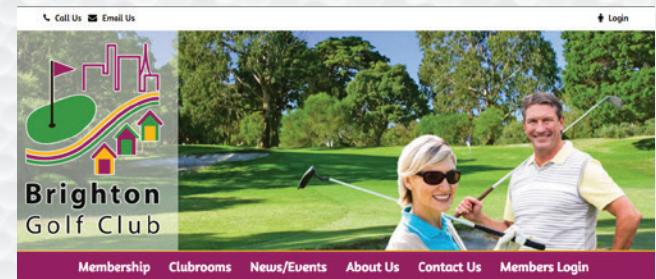

Whilst there are yet a couple of tweaks to be taken care of the site is for all intents and purposes finally up and running and I hope that BGC members enjoy the new facility and use it for their information and enjoyment.

Here now are some of the features of the new website that Members might find interesting:

GENERALLY

1. If you want to phone or email BGC or login to ClubLink it can be done on each and every website page by clicking on the relevant icon. Plus on each website page there is a local weather guide, site menu and statutory Terms of Use.
2. Clicking on the large BGC Logo on any page will return you to the Home page.
3. The website is mobile device friendly meaning that each page will automatically re-size to suit the device screen size regardless of whether you are using a phone or tablet. Except for the ClubLink pages which re-size by using the usual finger tweaks.

MEMBERS LOGIN

The software for the Members ClubLink portal is managed entirely by an external vendor and is unfortunately not as up to date as the new website. However, it functions the same as the previous website, except for some minor layout changes, but is not mobile device friendly: meaning that page sizes will need to be tweaked as required when using an iPhone or tablet.

I do hope Members enjoy the new website and invite any positive comments on how it may be further improved.

I take this opportunity of wishing all members and their families my very best wishes for a safe and happy New Year.

Highlights of CoM Meeting - December 8 2015

FINANCIAL REPORT

Hon. Treasurer KB spoke to each section highlighting specific areas and answered questions. Financial position is comparable to last year at this time.

SECRETARY

Karl Lindberg advised that club admin is being brought up-to date as quickly as possible at this especially busy time of year. CAV annual statement reports for 2014 and 2015 have been completed using new on-line procedure. Nine members are still un-financial and a few have advised resignations (actual number TBA). Margaret Ward has been presented with her honorary life member medallion.

CAPTAIN'S REPORT

JMcC spoke to highlights in his written report, which was available for each CoM member. He noted LMS work with filling in some existing bunkers that are to be GUR under the Temporary Local Rules as of 1st January, 2016. The BGC team did very well at Barwon Heads and won the competition. JMcC complemented BD on the successful Presentation Night Sat 14 Nov, with 70 attendees and good bar revenue. David Combe won the Dennis Farrell Medal. New Rules of Golf books will be available in 2016

SEPARATE ITEMS

1. Nov/Dec Birdie Comp Winner – Chris Allan.
2. New member Lyn Mauer

LADIES SUB COMMITTEE REPORT

Only two weeks since sub-com change and Cheryl Young (CY) advised a successful luncheon at The Savoy Hotel. Ladies now doing "summer golf".

SOCIAL REPORT

KB advised the Mel Cup raffle, the Presentation night and the Trivia Night were social and financial successes and acknowledged the efforts put in by all volunteers. The Christmas raffle looks good at this stage. A number of members have been providing ideas to KB/CoM about potential member/new-membership activities that may be of social and financial benefit to our club:

1. Closer alignment with Bayside hockey club
2. Use social media
3. Invite junior member "ex-officio"
4. Member brochures in local papers
5. Street stalls in Church or other streets

Until a working social sub-com is formed KL agreed to receive and keep a list of all these ideas such that the new sub-com/CoM can evaluate what resources (volunteers/financial) are required to carry out each idea and the likely positive social and financial benefit to the club. KL agreed to check BCC about any approvals required for "car boot sales", street stalls and other public activities to promote BGC membership, etc.

HOUSE SUB COMMITTEE

BR advised sales from small black fridge near card printer are still minimal, but will be promoted. When our winners boards are updated this year we are running out of space and consideration need be given to new or enlarge the size of current boards or make other arrangements for the future. BR advised that he will only be able to continue as House Manager until end of this club year.

Ron van Pelt provided new display fridge to club FOC, provide letter of thanks to him (KL)

GENERAL BUSINESS

Moved and carried successfully:

1. Club assets write-offs for 2014/2015, as per request by Auditor Peter Troedel and Assoc.
2. Quote from Collective Loop for the preparation of BGC 2016 Syllabus.
3. Renewal of kitchen food and liquor Licences

KB written report presented and discussed as follows:

1. Website developing well, current draft shown by KB on club TV screen. Moved BR Seconded JMcC go live as soon as ready, carried. Charity page detail now approved by charities.

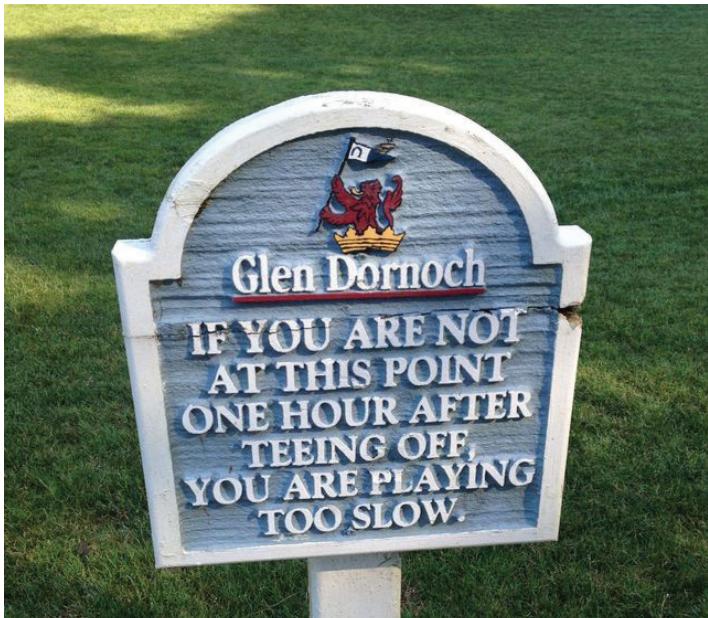

Highlights of CoM Meeting - December 8 2015

2. BGC leaderboard and LAN system is a potential fire hazard. Awaiting quote for remounting some equipment in steel cabinet and documenting all cabling such that "normal" electrician/IT person can carry out maintenance from established circuit drawings and equipment lists. Fix problem with server unexpectedly turning off. Separate quote for installing new un-interruptible power supply instead of current UPS
3. BGC Course Condition Sub com (particularly Jane Millar who has designed posters and negotiated correct petition process with BCC) has been very active and is moving towards completing a large petition system. Barry Goring is monitoring the petitions at the pro-shop. Short-term repair to storm water run-off infrastructure carried out at Creswick St and if rainfall occurs water will flow better to BPGC dam. Long term fix from storm water is still HUGE task with BCC and petitions are very important in getting funding into BCC budget process papers.
4. BD/KB thanked a number of people for helping ensure success with the Presentation night and the Trivia night. The provision of own food instead of outside catering for the Trivia night was successful.
5. CoM agreed sending SMS reminder to members re Christmas Raffle tickets still available.

Captains Report

By John McCreery (Club Captain)

The members who missed the Annual General Meeting may or may not know that John McCreery will remain as Club Captain for the coming year, and for the Ladies section of the Club, Sue Bamberry will take over Captain. I would like to thank Jenny Bahramis for her assistance and enthusiasm as the Ladies Captain over the last 3 years.

MEMBERSHIP

This year has been a battle to maintain our membership numbers. Last year we lost 26 Members and signed up 24 new ones through the year, so we did very well to maintain the total. Since the start of our new year in October we have gained 7 new members.

While this is good news we have to be aware that 22 Members from last year have not renewed their memberships as yet, so, we are actually 15 Members down at present.

All Members in the Club should be on the lookout for new members. So if you have a friend or meet someone on the course who may be interested in joining, please invite them to the Club House and get them in touch with Sue Bamberry, Bill Dooley or John McCreery.

PRESENTATION DINNER

The Presentation Dinner for the Saturday golfers was held on the 14th November with over 70 attending. Special thanks go to Bill Dooley who took on the responsibility of organising the event, finding a suitable caterer and most importantly chasing up the Members to attend.

It was gratifying that all but two of the major trophy winners were there to receive their award and the accolade from their fellow golfers. We also had the presentation to the winning team in the Winter Classic Competition which was the Day Breakers and the best player through the home and away rounds, David Combe, received the Denis Farrell Medal.

PENNANT DRAW 2016

The V.G.L. Event and Pennant draws for season 2016 are now available and will be distributed to team managers in due course. Anyone wishing to play in one of the Men's Pennant Teams please speak to the Team Managers Chris Meehan (Scratch), Mark Oglethorpe (Handicap) or John McCreery (Seniors).

The 2016 Syllabus Book is being finalised and should be available to Members in January.

RULE CHANGES

Golf Australia will be issuing new Rules of Golf books in 2016 where there will be some minor changes to the rules. The main ones concern the withdrawal of the rule on the ball moving after address and the prohibition of anchoring the club while making a stroke.

All Members are to note that the Temporary Local Rule with regard to the filled in bunker on the right hand side of the 7th Fairway being treated as Ground Under Repair (GUR) will be rescinded as of the 1st January, 2016. From that date this area must be treated like any other fairway.

For the same reason that the above mentioned bunker was regarded as GUR the bunker at the rear of the 8th green and the bunker on the right side of the 13th fairway will be considered as Ground Under Repair from the 1st January, 2016.

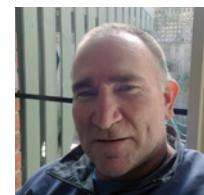

Both of these bunkers have or are being filled in with loose soil, sand and coring from the greens. They have a very uneven surface and until the surface settles down and grass starts to grow players may take relief from the area of the old bunker as per GUR conditions.

NEW BGC MEMBERS

The following membership applicants were recently accepted unanimously by the Committee of Management into the Brighton Golf Club.

- Lynn Mauer

We wish this new Member many years of happy golfing at BGC.

BRIGHTON WINS BARWON HEADS PLATE

On Sunday, 6th December a team from Brighton consisting of our John Collins, Peter Jolly, Peter Walton and Chris Sommeruelle, represented the Club in the Barwon Heads Plate. This competition is a handicap par event where a varied number of clubs around Victoria are invited to play at the Barwon Heads Golf Club.

In unusually benign conditions our team had a combined score of 3 down which turned to be good enough to give them victory by one shot. John Collins had the best score for Brighton of 2 up and he was only 2 shots from winning the best individual score for the day. To round it off for Brighton, Peter Walton took out one of the NTP awards.

Ladies Captains Report

By Sam Bamberry (Ladies Captain)

Ladies Summer golf is under way which is a great way to stay in touch and keep up the skills in readiness for the incoming season. Efficiently run by Jan Kirsch we arrive early to beat the heat, thanks to Avis McKenzie for putting in the cards.

Don't forget girls we have an end of season lunch at Milanos on the 27th January with numbers to be arranged towards the last week 20th. We will be back in full swing on the 3rd Feb and I am looking forward to the coming year.

The Pennant teams are close to being finalised so if you are thinking that you might like to play at least some of the games and join a team please let Rosemary Fry know ASAP, we only have a short time from when we commence golf again to finalising with the VGL.

I don't want to give too much away but I hope we have a few surprises to continue to make our golf at Brighton even more enjoyable.

Please give some consideration to participating in the many VGL events throughout the year. This is a good way to play against some other clubs and to meet up with other lady golf nuts at other courses. These events are paid for by your membership and it is always great to have our club represented.

The social day held with the gents has been a great success in the past and I hope we get a good turnout for our first planned event in the middle of March- Please check the syllabus.

Look forward to a great year ahead and wishing you all good golf.

Ladies Christmas Lunch

By Rose-Marie Hogan (Ladies President)

The Brighton Ladies Xmas Lunch was held on Wednesday, 2 December.

Held at the Brighton Savoy Hotel, it was a memorable day yet again. Fortunately, a member of our Club has a business connection to the venue and the service we are given is exemplary and the attention to detail is exhaustive. The food was excellent.

In number, over fifty ladies attended on the day and we were so very impressed with the entertainment organised for the day.

Brendan Leech was our Musical Director for the day. As well as the delightful background music, Brendan is also a singer. Such wonderful renditions of Xmas Carols and musical scores relevant to the era of our age group! We all sat back, relaxed and thoroughly enjoyed every moment of his program, and have booked him for next year.

Again, we are so fortunate that our connection to this great entertainment is also a member of our Club.

Our past President, Cheryl Young, kindly organised eight colourful baskets for our raffle which is always popular as there are a multitude of winners!!

And we are very grateful to Justin Jamieson, the son of another member of our club for designing, printing and donating our "Christmas Program".

LADIES' PENNANT

Brighton Golf Club Ladies will be fielding two teams in the upcoming Pennant season beginning 29th February. This will consist of 6 home and away matches with finals to be played on 2nd May.

We will have 10 team members with 6 emergencies.

Rosemary Fry is again our Pennant Captain this year and we are

Looking forward to a successful and rewarding season for 2016.

BGC MEDAL COMP 1913

The Club was fortunate to receive a "blast from the past" in a trophy awarded by Brighton Golf Club Medal Competition Won by S.G. Hughes 20.12.1913'

A local resident, Mr. A. Koenig contacted the Club with regard to delivering it to us.

This trophy will now be displayed in our Trophy Cabinet. A part of our impressive history.

Rules of Golf

By John McCreery (Club Captain)

RULES DISCUSSION

After a recent game a question was raised at the infamous '19th hole'. Bruce posed the question about the ball moving after it had come to a stop on the green. Now that you have ALL seen the new rules that look at the ball moving anywhere on the course, let's attempt to clarify Bruce's question.

Are you aware that the Rule Book is complemented by an extra guideline, known as the 'Decisions of Golf'. This book aims at explaining in more detail the answers to specific questions raised about the Rules. For example, the following Decisions provide the answer to Bruce's question.

DECISION 20-3D/1 PLACED BALL ROLLS INTO HOLE

Q. A replaces his ball on the putting green three feet from the hole. Without doing anything to cause the ball to move, it rolls into the hole. Should the ball be replaced or is A deemed to have holed out with his previous stroke?

A. The answer depends on whether the ball, when replaced, came to rest on the spot on which it was placed before it started rolling. If it did, A is deemed to have holed out with his previous stroke. If not, A is required to replace the ball (Rule 20-3d). However, if the ball had been overhanging the hole when it was lifted, the provisions of Rule 16-2 would override those of Rule 20-3d. (Revised)

Rule 16-2 relates to the wasting of time in the hope it falls in! 10 seconds is all one can wait or they incur a penalty. One should check this specific Rule.

DECISION 18-1/12 BALL REPLACED AND AT REST IS THEREAFTER MOVED BY WIND

Q. A player replaces his ball on the putting green and the ball is at rest. Before the player addresses the ball, a sudden gust of wind blows the ball farther from the hole. The player plays the ball from its new position. Is that correct?

A. Yes. Wind is not an outside agency –see Definition of "Outside Agency". Accordingly, Rule 18-1 does not apply. Too bad if it runs off the green or into a hazard!

SURVIVE THE HEAT

Heat kills more Australians than any other natural disaster

DRINK WATER

Even if you don't feel thirsty, drink water. Take a bottle with you always.

HOT CARS KILL

Never leave kids, adults or pets in hot cars. The temperature inside a parked car can double within minutes.

KEEP COOL

Seek out air-conditioned buildings, draw your blinds, use a fan, take cool showers and dress in light and loose clothing made from natural fabrics.

PLAN AHEAD

Schedule activities in the coolest part of the day and avoid exercising in the heat. If you must go out, wear a hat and sunscreen and take a bottle of water with you.

HELP OTHERS

Look after those most at risk in the heat – your neighbour living alone, the elderly, the young, people with a medical condition and don't forget your pets.
