BPGC Water Harvesting Project Update

IT'S ALL STARTING TO HAPPEN.

The improvement to the Brighton Public Golf Course via a water harvesting project to provide a sustainable water supply for both the BPGC and Dendy Park is now reaching the final stages of design and planning.

We have a new BCC project manager Steve Fernee who is working closely with pro shop manager Travis Harrison to ensure that the project runs in a timely fashion with the least amount of disruption to the playing public as possible.

Clubs and green fee players will be kept advised of project scheduling with notices published in the pro shop and by other means such as regular meetings with pro shop staff and the BCC and BGC News newsletter articles.

I'd like to send a friendly reminder to all BGC members that this project was initiated by us the Brighton Golf Club because it was you the Members that sent the CoM a very clear message that the golf course was not providing an enjoyable golf experience – so your CoM acted, with the result that the project will start in February 2017 and will take some six months or so to complete.

There will of course be interruptions to the flow of play, this is unavoidable. But it's a short term inconvenience for a long term improvement to playing condition.

As chairman of the Sub-Committee and as a fellow Member I appeal to all BGC Members to stay positive and patient as work progresses.

Please click on this link and have a look at the transcript of the meeting we had with Travis on the 27th October. Hopefully most of your questions pertaining to the project will be answered in that document, if not please feel free to contact me or any other member of the sub-committee for more information.

A map of the new temporary layout is also included in the Link above and a large version with explanatory note will soon be mounted in the BGC Clubrooms.

🏌️ BGC 2016 AGM

Whilst educational, instructive and inspirational this year saw a repeat of previous years in that less than 10% of club members attended. The effect this has on ALL members is that whilst a quorum existed, making decisions binding, 100% of members golfing experience for the next 12 months was decided by less than 1 in 10 club members. It really does smack of the "tail wagging the dog"!!

The 2016 Annual General Meeting was:

- **Educational** because the inner workings of club operations, volunteers and just how things actually get done are laid bare on this one occasion each year.
- **Instructive** because it not only shows what has been done and how it was achieved but also how things might be, or are being planned to be, done better during the current year.
- **Inspirational** because there is not another organization in our industry (sport) that has achieved so much in such a relatively short time and yet has real workable plans already on the go to achieve much, much more in the future.

All this with virtually 100% voluntary effort.

Members who each pay thousands of dollars per year to belong to Private Golf Clubs expect, but do not always receive, the same benefits. That's why so many of them have joined our club.

Just as members of our club have for almost 100 years enjoyed the fruits of the labours of their fellow members and the decisions they have acted upon over the years. So will many hundreds of new members in the future benefit from the decisions and actions being taken **RIGHT NOW** to develop and improve what we are told by outsiders is Best In Class.

So, as they say in the classics, "The ball is at your feet – where will you hit it to??" As we know in golf nothing happens until YOU hit the ball.

Winners are Grinners

On Saturday night November 12th last our club held the third Annual Presentation Night for the winners of the Men's Major Awards over the past twelve months.

Organised by Bill Dooley and MC'd by Club Captain John McCreery, ably assisted by Vice Capt Wayne Troedson, this was a huge success with circa 70 members and guests enjoying a sumptuous meal and great repartee from all participants. Our sincere thanks go to A.S.A.T (As Simple As That) Catering.

Club House Manager David Heraud, who had presented members with a novel and very well received after-round feast earlier in the day, supported by the ever reliable Jim Mayfield, ran a terrific bar service and cleanup afterwards. This enabled members to "kick back" and enjoy the night.

A Presentation Night is all about recognition so before the awards were made our MC recognized the many club member volunteers whose efforts and dedication over the entire year had made these awards possible. Special thanks to the volunteers who prepared our clubrooms and grounds which so impressed our guests.

Ladies Activities

ROSES AMONGST THE THORNS

For many years it was generally known in our club that the Ladies played golf on the Wednesday and the Men played golf each Saturday.

Over the recent past a few Ladies have ventured into this male domain and played on a Saturday however this number is gradually growing.

The photo here of Saturday Ladies was taken in November this year and only includes those who teed off around 7am. There are others who play a little later but were not available for this pic as they were still out on the course.

We would love to see more Ladies playing on a Saturday and welcome their participation at anytime during the morning.

In this pic we see from L to R Kay Marriott, Sue Bamberry (didn't play but had a drink with the girls after their round) Barb Hannon, Marie Goddard, Christine McMahon and Glenda Thomas. Why not join these and other BGC Ladies on a Saturday morning??

Wednesday Ladies - Share the Fun

Well the year is nearing to a close. The formalities over with the election of or the volunteering of Committee posts undertaken and fulfilled. The last highlights of the year to come are the mixed Ambrose and a new fun event Back to Brighton. An invitational event for past members to come and revisit old friends and to see what we have been up to in the club. Maybe some photos for the next edition! We have still our play and stay to hold, which after some hiccups is still going ahead with much anticipation at a changed venue. I am sure there will be much frivolity coming into Christmas, again coming so quickly now.

Looking for further good weather to enjoy the golf and friendship.

Sue Bamberry
Captain

L – R Helen Tuddenham, Barbara Leech, Lyn Mauer and Alwyn Abraham. This was a mixed competition played on Wednesday Nov 23rd in which 18 BGC Men joined the Ladies.

1. L – R Capt Sue Bamberry, Jill Cox and Pres Marg Mooney; 2. L – R Pres Marg Mooney, Maree McGowan; 3. L – R Pres Marg Mooney, Sally Lindsay; 4. L – R Avis McKenzie, Pam Jones & Marg Mooney

TJ Tesoriero - Hole in One

It was Wednesday 12th October when on the 3rd hole, a par three, a relatively new member to the club introduced by Past President and playing partner Lou Soligo that Tony J Tesoriero had an ACE. Yes, A Hole in One!! And as if that wasn't enough he also won the VGL Medal the following Saturday. Not bad for someone who is new to the game!!

The name Tesoriero is well known in our club as another Tony, father of Chris, but not related to Tony J has been a member for many years. Chris is also well known as Club Champion for at least six (6) years in a row and valuable pennant player.

So if your surname is Tesoriero you could be destined for BIG things at BGC.

Congratulations to Tony J on his memorable achievements.

 Former Club President Lou Soligo is shown pictured with his mate T J Tesoriero the 'Hole in One' man

Car Boot Sale Update

Due to the nearness to Christmas and the many other events occurring at this time of year the BGC Committee of Management has decided to postpone this event until the New Year.

Captain's Report

By John McCreery (Club Captain)

HIGHLIGHTS

The Volunteer's Trophy was finalized in October with a playoff required when Ray Desmond and David Shutler ended on the same score after one round each of stroke, stableford and par. David Shutler came out on top to win the trophy.

Another highlight was the perfect shot by Tony J Tesoriero at the 3rd hole to get his first hole in one.

The Fred Meehan Memorial Trophy for the Men's Match Play Champion was completed with John Sutherland defeating Peter Walton in a close fought final.

The V.G.L Medallist of Medallists was Steve Smith who will represent Brighton Golf Club at the Patterson River G.C. on Sunday, 4th December.

MAJOR TROPHY WINNERS FOR 2016

The Club's Saturday Competition Major Trophy Winners for 2016 have now been finalized with the Presentation Night set for Saturday November 12th 2016.

There will be a presentation of inscribed medals to the Pennant winning Scratch Team. We will also have the presentation of the Winter Classic Cup and the count of the final rounds of voting for the Denis Farrell Medal for the Best Individual Player during the home and away matches of the Winter Classic.

Bill Dooley deserves a special commendation for the work he has done in making this upgraded presentation night a reality. He has chased up all members to make their bookings and collected the necessary monies, in advance, to the point where we now have a firm commitment from over 60 people wishing to attend. This is an excellent effort, well done Bill.

The Ladies Major Trophy Winners for 2016 will be presented after the Ladies Sub-Committee meeting on Wednesday 16th November.

SYLLABUS FOR 2017

The Syllabus for the Club's golfing competitions for the next year are being completed by the Captains and following the Annual General Meeting should be ready for printing. Distribution to Members should occur in late December 2016 or early January 2017.

“Being left-handed golfer is a big advantage. No one knows enough about your swing to mess you up with advice”

*Bobby Charles,
Pro golfer*

VALE - Doreen Patricia Sweeney

Doreen joined Brighton GC in 1983 and played 18-holes regularly until 2013, when she transferred to the category of social playing.

For many years she also maintained membership of the Mawara 9-hole club at Sandringham Golf Course, and played there each Friday.

Doreen had many interests. She was an avid reader and knitter, a prolific story writer, authored a family memoir and enjoyed traveling, with a special love for rail travel.

Doreen was a volunteer at the local hospital, the Citizens Advice Bureau and the community radio station.

Recognise This??

Although our course, the Brighton Public Golf Course, is nestled amongst the houses in a relatively affluent inner south eastern suburb of Melbourne it is not without its beauty.

Here is a pic of the water storage located behind the 10th green, beside the 2nd fairway and at the rear of the 11th tee.

As you can see this is a wonderful natural habitat for water birds quite apart from providing us golfers with an aesthetically pleasing outlook.

So no matter how good, or otherwise, your round of golf is on any particular day the old adage of the "Worst round of golf being better than the best day at work" holds true when you can look at these wonders of nature.

Member Profiles

INNES IRELAND

A partner in the ownership of several House of Golf stores Innes Ireland has been a great contributor to our club over the past four (4) years in a variety of different ways. His sponsorship of club events is legendary.

Innes and wife Belinda have two (2) children and live in the outer eastern suburbs – not exactly around the corner from our club.

The friendships developed and sheer fun of playing with “a great bunch of guys” makes the early morning starts worthwhile. Innes has also had his share of success winning the 2014 Summer Shield Pairs Championship against huge odds. Innes saw this a 100 :1 chance that got up on the line. He was stoked!!!

In the longer term Innes has a very successful and growing business, sees his golf handicap reducing to nine (9) ie single figures and looks forward to the impending course improvements. He just loves the “feel” of our club.

JANE MILLAR

Here is a great asset to ALL of us at the Brighton Golf Club Inc.(BGC). Jane Millar.

An architect by profession (Melb Uni) Jane and her business partner run their own architectural firm in Elwood.

With husband Tim Ryan, Jane & Tim are proud parents of two (2) lovely daughters.

Combining her love of golf and architectural skill Jane has been a prime mover in the development of the water harvesting project and reorganization of the Brighton Public Golf Course.

Regular liaison with BCC, Course and Club Management makes Jane an ideal advocate for us. She is a real asset.

A BGC member for over five (5) years Jane came to us through friends, loves the camaraderie and is keen to improve her game. She is also keen to see a roller used to smooth the greens, top up sand in the bunkers and repainting of the bathroom interiors.

PETER SAMMUT

And now for a brand new member.

Peter Sammut is an Electrical Engineer and has been a member of our club (Brighton Golf Club Inc.) for only a matter of weeks.

With a Bachelor of Engineering degree, Peter's other claim to fame is as an “A” grade cyclist.

This is a sport which requires great dedication, perseverance, long hours “in the saddle” getting k’s into the legs and has it’s own share of disappointments. Not easily mastered.

Sounds a lot like golf doesn’t it????

Peter is keen to lower his handicap and knows that if he “falls off” injuries are to pride not body. Golf Rules!!

A youngster compared to many BGC members Peter has a great golfing future ahead of him but wishes he had started at an earlier age. Sound familiar???

Welcome, Peter, to our family.
